Tongue and Spinach Salad

Chop cooked spinach very fine and eason with salt, lemon juice and a little melted butter. Pack firmly into molds which are well buttered and fitted with buttered paper in the bottom of each mold. This paper trick insures easy turning out of the molds. Put molds into ice box and chill. When ready to serve, unmold on slices of cold boiled tongue. Drop a onful of mayonnaise on each mole and garnish with match-like strips of tongue, eights of hard cooked eggs and crisp heart leaves of lettuce.

Our family's whiskey-it's extra elegant when a cold snap comes!

Nice and warmish on your insides - but never burns your throat

Making a good, rich whiskey taste mild and feel mild on your throat when you go to swallow it - I guess you'd say that's the real beauty of The Wilken Family Whiskey. It's an honest-togoodness he-man whiskey, but so pleasant-like, rolling down your throat—and so mild-tasting in the bargain. Every bottle is made exactly according to our own Family's recipe, and it's personally supervised by me and the boys. Just try a nip of what we distillers drink ourseives! Kerry Ellilken Sn
